

Seventh International Workshop on the Turbulent Combustion of Sprays (TCS-7)

June 16, 2019,

H10 Costa Adeje Palace Hotel, Tenerife

Program, version April 18, 2019

		Speaker
9:00-9:50	Registration and Poster Setup	
9:50-10:00	Welcome and Announcements	
10:00-11:00	Invited Lecture-1: <i>Some Challenges in Numerical Simulation of Spray Combustion</i>	Prof. Ryoichi Kurose, Kyoto University
11:00-11:20	Coffee Break	
11:20-1:00	Presentation and Discussion of Simulations of Benchmark Test Cases 1) Sydney Needle Burner 2) CORIA Rouen Spray Burner 3) Cambridge Swirl Spray Flame	Coordinators: 1) Prof. Assaad R. Masri Prof. Venkat Raman 2) Prof. Bruno Renou Prof. Benoît Fiorina 3) Prof. Andrea Guisti
1:00-2:30	Lunch and Posters	
2:30-3:30	Invited Lecture-2: <i>The challenges of spray combustion simulation: an industrial perspective</i>	Dr. Marco Zedda, Rolls-Royce, UK.
3:30-3:50	Coffee break	
3:50-4:30	Summary (including posters) and Future Directions	
Closure		
4:30-5:00	TCS-Committee Meeting
